Part-A [In the presence of Student Representatives]

2025-148-Senate-1.1	Change of Co-Supervisor for Mr. Venkateswara Rao B.

Mr. Venkateswara Rao B., Roll No. 22CYR2P01, a part-time research scholar in the Department of Chemistry, has completed six semesters. As the scholar has moved to another organization, there is a need of adding a co-supervisor from the new workplace. A co-supervisor from the new workplace, Dr. Naveen Kumar Bejjanki, Director, Vigine Biosciences, Hyderabad, has agreed to co-supervise the research scholar. The Doctoral Scrutiny Committee (DSC) of the research scholar has recommended Dr. Naveen Kumar Bejjanki as the new co-supervisor.

The Senate approved the recommendations of the DSC to change the co-supervisor. Dr. Naveen Kumar Bejjanki, Director, Vigine Biosciences, Hyderabad will be the new co-supervisor for Mr. Venkateswara Rao B.

2025-148-Senate-1.2	Inclusion of Co-Supervisor for Mr. Gugloth Ganesh

Mr. Gugloth Ganesh, Roll No. 23CSR2R07, a full-time research scholar working under the supervision of Prof. R. Padmavathy in the Department of Computer Science and Engineering, has completed four semesters and has requested the inclusion of a co-supervisor to enrich the guidance and expertise available for his research. The DSC of the research scholar has recommended Prof. Sarath Babu (CS) as the co-supervisor.

The Senate approved the recommendations of the DSC to include the co-supervisor. Prof. Sarath Babu (CS) will be the co-supervisor for Mr. Gugloth Ganesh.

2025-148-Senate-1.3	Change of Supervisor for Ms. Shrishti Thakur

Ms. Shrishti Thakur, Roll No. 25HSR1R04, a full-time research scholar working under the supervision of Prof. Neha Hejaz in the Department of Humanities and Social Science, has completed one semester and has requested a change of supervisor due to differences in the scope and direction of research. The DSC of the research scholar has recommended Prof. Jaseel Parambil as the new supervisor.

The Senate approved the recommendations of the DSC to change the supervisor. Prof. Jaseel Parambil will be the new supervisor for Ms. Shrishti Thakur.

2025-148-Senate-1.4	**Change of Supervisor for Ms. Jarupula Sunitha**

Ms. Jarupula Sunitha, Roll No. 25ECR1R01, a full-time research scholar in the Department of Electronics and Communication Engineering, has completed one semester, and her supervisor, Prof. Kota Srinivas Reddy, has resigned from the Institute. The DSC of the research scholar has recommended Prof. V. Rama as the new supervisor.

The Senate approved the recommendations of the DSC to change the supervisor. Prof. V. Rama will be the new supervisor for Ms. Jarupula Sunitha.

2025-148-Senate-1.5	**Consideration of the Research Credentials Completed by Mr. V. Tarun, a Full-Time (Project) Scholar Admitted to Full-Time Ph.D. (Institute Fellowship)**

Mr. V. Tarun, Roll No. 23CHR1R07, a full-time (Project) research scholar in the Department of Chemical Engineering, was admitted to full-time Ph.D. (Institute Fellowship) with Roll No. 25CHR1R03 through the regular Ph.D. admission process. He has completed the coursework, comprehensive examination, and published a journal paper when he was a full-time (project) research scholar. The DSC of the research scholar has recommended that the research credentials, such as coursework, comprehensive examination, and a journal publication already completed by the research scholar, be carried forward.

The Senate approved the recommendations of the DSC to consider the completed research credentials.

2025-148-Senate-1.6	**Cancellation of Ph.D. Admission of Ms. Tejavath Anoosha**

Ms. Tejavath Anoosha, Roll No. 24CHR2R02, a full-time research scholar in the Department of Chemical Engineering, has requested the cancellation of her Ph.D. admission due to personal reasons. The DSC of the research scholar has recommended that her Ph.D. admission be cancelled. However, the research scholar has sent an email to the Chairman of the Senate requesting to continue her Ph.D.

The Senate authorized the Chairman of the Senate to take a decision based on the recommendations of the DSC and the RPEC.

2025-148-Senate-1.7	**Cancellation of Ph.D. Admission of Mr. Tharun Kumar Reddy**

Mr. Tharun Kumar Reddy, Roll No. 721090, a part-time research scholar in the Department of Computer Science and Engineering, was admitted to the Ph.D. program in January 2021. The DSC reported that there has been no research progress in the past few semesters, and the research scholar has not registered for the previous two semesters (Spring Semester of AY 2024-2025 and Autumn Semester of AY 2025-2026). The DSC of the research scholar has recommended that his Ph.D. admission be cancelled.

The Senate approved the recommendations of the DSC to cancel the Ph.D. admission of Mr. Tharun Kumar Reddy.

2025-148-Senate-1.8	**Conversion of Ph.D. Studentship of Ms. Dharavath Anusha from Full-Time to Part-Time**

Ms. Dharavath Anusha, Roll No. 721029, a full-time research scholar in the Department of Electrical Engineering, has requested to convert her registration to part-time, as she has secured a job. She has completed 10 semesters and 60% of her research work. The DSC of the research scholar has recommended converting the Ph.D. studentship from full-time to part-time.

The Senate approved the recommendation of the DSC to convert the full-time Ph.D. studentship to part-time.

2025-148-Senate-1.9	**Conversion of Ph.D. Studentship of Mr. Mudavath Praveen Kumar from Full-Time to Part-Time**

Mr. Mudavath Praveen Kumar, Roll No. 21MMFJ114, a full-time research scholar in the Department of Metallurgical and Materials Engineering, has requested to convert his registration to part-time, as he has secured a job. He has completed 9 semesters and 70% of his research work. The DSC of the research scholar has recommended converting the Ph.D. studentship from full-time to part-time.

The Senate approved the recommendation of the DSC to convert the full-time Ph.D. studentship to part-time.

2025-148-Senate-1.10	**Conversion of Ph.D. Studentship of Mr. Banoth Srinu from Full-Time to Part-Time**

Mr. Banoth Srinu, Roll No. 22MER1R09, a full-time research scholar in the Department of Mechanical Engineering, has requested to convert his registration to part-time, as he has secured a job. He has completed 7 semesters and 60% of his research work. The DSC of the research scholar has recommended converting the Ph.D. studentship from full-time to part-time.

The Senate approved the recommendation of the DSC to convert the full-time Ph.D. studentship to part-time.

2025-148-Senate-1.11	**Extension of Temporary Break in Ph.D. for Mr. Amgothu Venkatesh**

Mr. Amgothu Venkatesh, Roll No. 24CER1R03, a full-time research scholar in the Department of Civil Engineering, will be completing 3 semesters as of December 2025. He was granted a temporary break in his Ph.D. from 25.02.2025 to 20.06.2025 due to personal reasons. However, he resumed his registration on 14.10.2025, instead of the approved rejoining on 21.06.2025, resulting in overstay. The DSC of the research scholar has recommended to approve the period from 21.06.2025 to 13.10.2025 as leave without pay.

The Senate approved the recommendations of the DSC, and the research scholar is granted an extension of the temporary break for Ph.D.

2025-148-Senate-1.12	**Extension of Registration to Mr. D. Mallikharjuna Reddy**

Mr. D. Mallikharjuna Reddy, Roll No. 717031, a part-time research scholar in the Department of Electronics and Communication Engineering working under the supervision of Prof. S. Anuradha (EC), will be completing 8.5 years by December 2025. He requested the Senate to permit him to register for another semester, so that he could submit the synopsis and thesis after satisfying the eligibility criteria for submission. The DSC of the research scholar has recommended to the Senate that a one-semester extension be granted.

The Senate approved the recommendations of the DSC, and the research scholar is granted an extension of the Ph.D. registration by one-semester.

2025-148-Senate-1.13	Extension of Registration to Mr. Srikanth Reddy Yanala

Mr. Srikanth Reddy Yanala, Roll No. 717119, a part-time research scholar in the Department of Electrical Engineering working under the supervision of Prof. M. Sailaja Kumari (EE), will be completing 8 years by December 2025. He requested the Senate to permit him to register for another semester, so that he could submit the thesis. The DSC of the research scholar has recommended to the Senate that a one-semester extension be granted.

The Senate approved the recommendations of the DSC, and the research scholar is granted an extension of the Ph.D. registration by one-semester.

2025-148-Senate-1.14	Extension of Registration to Mr. Vignesh Raja S.

Mr. Vignesh Raja S., Roll No. 717135, a full-time research scholar in the Department of Metallurgical and Materials Engineering working under the supervision of Prof. Mahesh Kumar Talari (MM) and Prof. Bharath Bandi (MM), will be completing 8 years by December 2025. He requested the Senate to permit him to register for another semester, so that he could submit the synopsis and thesis after satisfying the eligibility criteria for submission. The DSC of the research scholar has recommended to the Senate that a one-semester extension be granted.

The Senate approved the recommendations of the DSC, and the research scholar is granted an extension of the Ph.D. registration by one-semester.

2025-148-Senate-1.15	Comprehensive Examination during 4th Semester for Ms. Pulyala Radhika

Ms. Pulyala Radhika, Roll No. 24CSR1P14, a part-time research scholar in the Department of Computer Science and Engineering working under the supervision of Prof. K.V. Kadambari (CS), was unable to appear for the comprehensive examination in her 3rd Semester, i.e., Autumn Semester of Academic Year 2025-2026, due to her family problems. She has requested to appear for the comprehensive examination in her 4th Semester. The DSC of the research scholar has recommended completing the comprehensive examination in the 4th Semester, i.e., in the Spring Semester of Academic Year 2025-2026.

The Senate approved the recommendations of the DSC, and the research scholar is permitted to appear for the comprehensive examination in the 4th Semester.

2025-148-Senate-1.16	**Comprehensive Examination during 4th Semester for Mr. M. Sathyanarayana**

Mr. M. Sathyanarayana, Roll No. 24PHR1P07, a part-time research scholar in the Department of Physics working under the supervision of Prof. K. Thangaraju (PH), was unable to appear for the comprehensive examination in his 3rd Semester, i.e., Autumn Semester of Academic Year 2025-2026, due to his family problems. He has requested to appear for the comprehensive examination in his 4th Semester. The DSC of the research scholar has recommended completing the comprehensive examination in the 4th Semester, i.e., in the Spring Semester of Academic Year 2025-2026.

The Senate approved the recommendations of the DSC, and the research scholar is permitted to appear for the comprehensive examination in the 4th Semester.

PART-B [Without the Presence of the Student Representatives]

2025-147-Senate-1.9	Conversion from full-time to part-time of the studentship of Mr. V. Manohar Reddy.	The studentship has been converted from full-time to part-time, and an order has been released.
2025-147-Senate-1.10	Termination of admission of Mr. Shashikumar Reddy A.	The termination order has been released.
2025-147-Senate-2	Action taken report on the decisions taken in the 146th Senate meeting.	Noted.
2025-147-Senate-3	Modifications in the academic regulations of the Ph.D. program.	The academic regulations have been updated.
2025-147-Senate-4	Introducing a new unit on standardization in the Design Thinking course offered to B.Tech and Dual Degree students.	The updated curricula have been uploaded to the Institute website.
2025-147-Senate-5	Rescheduling the mid-semester examinations for 1st semester B.Tech, 1st semester B.Sc. B.Ed., and 1st semester Integrated M.Sc. Students.	The mid-semester examinations have been rescheduled accordingly.
2025-147-Senate-6	Confirmation of the minutes of the 146th Senate meeting.	The minutes of the 146th Senate meeting, confirmed by the Senate, have been uploaded to the Institute website.
2025-147-Senate-7	Review of admissions to various M.Tech specializations.	The Senate recommendations are submitted to the Board of Governors for approval.
2025-147-Senate-8	New M.Tech Specialization in Quantum Computing.	Awaiting receipt of the recommendations from the committees.
2025-147-Senate-9	Academic Calendar for the Spring Semester of A.Y. 2025-2026.	The academic calendar has been uploaded to the Institute website.
2025-147-Senate-10	List of Graduands for the 23rd Convocation.	Noted.
2025-147-Senate-11	Collaboration with the Asian Institute of Technology, Thailand, and the University of Saskatchewan, Canada.	Noted.
2025-147-Senate-12	Collaboration with Jankidevi Bajaj Gram Vikas Sanstha for the establishment of Bajaj Engineering Skills Training Centre.	The integrated curriculum for two verticals will commence from AY 2026-2027.

2025-147-Senate-13	Results of Ph.D. viva-voce examination.	Noted.
2025-147-Senate-14	Inclusion of an elective course, CE76038: Contaminant Transport Modelling in Porous Media, in the 2nd semester of M.Tech Water Resources Engineering.	The updated curriculum has been uploaded to the Institute website.
2025-147-Senate-15	Shifting of a course from Professional Elective III to Professional Elective V in the 2nd semester of M.Tech Construction Technology and Management.	The updated curriculum has been uploaded to the Institute website.
2025-147-Senate-16	Inclusion of an elective course, precision motion control in CNC applications, in the 2nd semester of: (i) M.Tech Manufacturing Engineering, and (ii) M.Tech Computer Integrated Manufacturing.	The updated curriculum has been uploaded to the Institute website.
2025-147-Senate-17	Rescheduling the end-semester examinations for 1st semester B.Tech, 1st semester B.Sc. B.Ed., and 1st semester Integrated M.Sc. students.	The end-semester examinations have been rescheduled accordingly.
2025-147-Senate-18	Undergraduate Degree Certificate format for Minor and Honors.	The Examination Section will issue certificates to students in the approved format.
2025-147-Senate-19	DigiLocker NAD certificate format for all undergraduate students.	The certificates in the approved format have been uploaded to NAD/DigiLocker.
2025-147-Senate-20	Academic review of all B.Tech Programs for the Autumn Semester of Academic Year 2024-2025.	Noted.
2025-147-Senate-21	Progress review of all the research scholars.	Noted.
2025-147-Senate-22	Any other Item with the permission of the Chair. 22.1) Shifting of a Professional Elective Course from 1st Semester to 2nd Semester of M.Tech Embedded and Machine Learning Systems 22.2) Reconstitution of Senate Undergraduate Committee, Senate Postgraduate Committee, and Research Progress Evaluation Committee	22.1) The updated curriculum has been uploaded to the Institute website. 22.2) The academic committees have been reconstituted, and an office order has been released.

The Senate noted the action taken report.

2025-148-Senate-3	**Results of Ms. Bhumi Yadav in PH6199: Dissertation Work**

Ms. Bhumi Yadav, Roll No. 22PHC1R18, M.Sc. (Tech) Engineering Physics student, has taken a semester break due to health issues and was unable to complete PH6199: Dissertation Work in her 6th Semester. The DAC (PG&R) of the Department of Physics submitted her results in PH6199: Dissertation Work to the Senate Postgraduate Committee, and the results have been recommended for approval. The Chairman of the Senate has approved the results and has conferred her M.Sc. (Tech) in Engineering Physics, with specialization in Photonics, at the 23rd Convocation.

The Senate ratified the decision of the Chairman of the Senate.

2025-148-Senate-4	**Coursework Registration of Mr. Danana Gouda C. in the 3rd Semester of M.Tech Transportation Engineering**

Mr. Danana Gowda C., Roll No. 24CEM3R06, a 3rd Semester M.Tech Transportation Engineering student, had health issues in the 1st Semester and received R grades in several courses. The student has cleared all the 2nd Semester courses with an SGPA of 7.65. However, his CGPA at the end of the 2nd Semester is 4.82. As per the academic regulations, a student with a CGPA less than 5.0 is permitted to register for a maximum of 20 credits. However, the student's registration was completed with 30 credits, which also includes the backlog courses from the 1st Semester and all 3rd Semester courses. Considering his health issues in the 1st Semester and good performance in the 2nd Semester, the Chairman of the Senate has approved his registration for 30 credits as a special case, and the student was allowed to appear for the end-semester examinations.

The Senate ratified the decision of the Chairman of the Senate.

2025-148-Senate-5	**Results of Undergraduate and Postgraduate Programs, and PhD Coursework for Autumn Semester of Academic Year 2025-2026**

The undergraduate and postgraduate program results, along with Ph.D. coursework, recommended by the Senate Undergraduate Committee (SUGC) and the Senate Postgraduate Committee (SPGC), respectively, have been shared with all the Senators. The Chairpersons of SUGC and SPGC have presented the results to the Senate.

The Senate approved all results of undergraduate and postgraduate programs and Ph.D. coursework for the Autumn Semester of Academic Year 2025-2026. The Senate resolved the following based on the observations:

- ***The course faculty should submit justification if the class average is less than 50 or greater than 70 for theory courses and greater than 75 for laboratory courses.***
- ***For the same course taught by different faculty for different sections, the grade ranges should be common across all the sections. There should be a course coordinator for all such courses.***

2025-148-Senate-6	**Confirmation of the Minutes of the 147th Senate meeting**

The minutes of the 147th meeting of the Senate were circulated to all the senators. No comments were received from the Senators.

The Senate confirmed the minutes of the 147th Senate meeting.

2025-148-Senate-7	**Introduction of a New B.Tech Program and Postgraduate Programs**

The Board of Governors, in its 75th meeting, approved the following to be effective from Academic Year 2026-2027:

- Reduction of seats in existing M.Tech programs, as shown in Table 1, and
- Introduction of new academic programs as shown in Table 2.

Table 1: Reduction of Seats in Existing M.Tech Programs

S. No.	Department/ Centre	Academic Program	Existing Intake	Revised Intake
1	CE	Water Resources Engineering	26	21
2	CE	Geoinformatics	20	15
3	CH	Chemical Engineering	20	15
4	CH	Sustainable Energy Generation and Storage Technologies	20	15
5	MM	Welding Technology and Non-Destructive Testing	20	0 (zero)
6	MT	Materials Science and Technology (Earlier Materials and Manufacturing)	20	15
		Total	**126**	**81**

Table 2: Introduction of New Academic Programs

S. No.	Academic Program	Intake
1	B.Tech in Electrical and Electronics Engineering with Specialization in Electric Mobility	30
2	M.A. in English Language and Literature	10
3	M.Tech in Artificial Intelligence	15
4	M.Tech in Electric Vehicles	15
5	M.Tech in Quantum Technology	15

The Senate noted the above details. Further, the Senate directed the respective Departments to formulate the curriculum and syllabi for all new academic programs.

2025-148-Senate-8	**Academic Calendar for the Spring Semester of Academic Year 2025-2026 Applicable to all Undergraduate and Postgraduate Students**

The Senate, in its 147th meeting, authorized the Chairman of the Senate to approve the Academic Calendar for the Spring Semester of Academic Year 2025-2026. The Academic Calendar for the Spring Semester of Academic Year 2025-2026, applicable to all undergraduate and postgraduate students, is shown below.

The Senate noted the above results.

2025-148-Senate-11	**Mandatory Course on Artificial Intelligence and Machine Learning in all B.Tech Programs**

It is proposed to introduce a mandatory course on Artificial Intelligence and Machine Learning across all B.Tech programs, effective from the Academic Year 2026-2027. A committee may be constituted to review existing advanced courses similar to this across various IITs and NITs and to propose the modalities of introducing this course into the B.Tech curriculum, along with the development of its syllabus.

The Senate approved the above proposal for introducing the new course, Artificial Intelligence, as a mandatory course in the 2nd year across all B.Tech programs, effective from the Academic Year 2026-2027, and authorized the Chairman of the Senate to constitute a committee to propose the modalities of introducing the course into the B.Tech curriculum and to develop the syllabus for this course. The Senate recommended including machine learning as a chapter.

2025-148-Senate-12	**Committee for the Conferment of Honorary D.Sc. and Ph.D. Degrees in the 24th Convocation**

The Senate, in its 137th meeting, approved the guidelines for conferment of honorary D.Sc. and Ph.D. degrees in the Convocation. A committee may be constituted to search and recommend the names for the conferment of honorary D.Sc. and Ph.D. degrees in the 24th Convocation.

The Senate constituted a committee with the following members to search and recommend the names for the conferment of honorary D.Sc. and Ph.D. degrees in the 24th Convocation:

S. No.	Name of the Member	Role
1	Prof. V.T. Somasekhar (EE), NIT Warangal	Chairperson
2	Prof. M. Sailaja Kumari (EE), NIT Warangal	Member
3	Prof. Chandra Shekhar Sharma, IIT Hyderabad	Member
4	Prof. Dipti Ranjan Sahoo, IIT Delhi	Member
5	Prof. Rajni Singh, IIT (ISM) Dhanbad	Member
6	Prof. P. Seshu, IIT Bombay	Member
7	Dr. Venu Nuguri, Managing Director, Hitachi Energy	Member

2025-148-Senate-13	**Introduction of One Credit Fractal Courses in the B.Tech Curriculum**

The existing regulations warrant a minimum of 150 to 160 credits for the award of the B.Tech degree. Accordingly, the minimum credit requirement for each B.Tech program is shown below:

S. No.	Department	B.Tech Program	Min. Credits
1	CE	Civil Engineering	156
2	EE	Electrical and Electronics Engineering	153
3	ME	Mechanical Engineering	156
4	EC	Electronics and Communication Engineering	156
5	EC	Electronics and Communication Engineering (VLSI Design Technology)	153
6	MM	Metallurgical and Materials Engineering	155
7	CH	Chemical Engineering	156
8	CS	Computer Science and Engineering	156
9	CS	Computer Science and Engineering (Artificial Intelligence and Data Science)	156
10	BT	Biotechnology	152
11	CD	Mathematics and Computing	155

Thus, the minimum credit requirement ranges from 152 to 156, whereas the maximum credit limit is 160. Currently, two 0.5-credit fractal courses are available, one in the 5th and one in the 6th semester. It is proposed to introduce two additional one-credit fractal courses across all B.Tech curricula.

The Senate approved introducing one credit fractal courses in the B.Tech curriculum. Further, the Senate directed the Curriculum Development and Monitoring Committee to propose modalities of introducing one credit fractal courses appropriately in the B.Tech curriculum. An Adjunct Professor, Visiting Professor, or Professor of Practice who intends to offer a fractal course is encouraged to send the course proposal to the respective Head of the Department in advance. A recommendation by the Department Academic Committee is to be submitted to the Chairman of the Senate for approval, which is to be ratified by the Senate subsequently.

2025-148-Senate-14	**Collaboration with The Art of Living**

The Institute proposes to sign a Memorandum of Understanding (MoU) with The Art of Living (TAOL), a charitable trust that brings transformation in India through The Art of Living Programs and implements a broad range of service projects to uplift and empower individuals, families, and communities. TAOL undertakes to impart the Art of Living Mind Management and Life Skills Training Program for students aged 18 years. This program is designed to prepare students in higher education to face challenges with strength and integrity, enhance memory and concentration, and develop interpersonal skills and the ability to perform under pressure. Even though the program is proposed as a 1-credit course with 20 contact hours, TAOL proposed redesigning the program to meet the requirements of the Institute by modifying the course content and restructuring it as a 2-credit or 3-credit course.

The Senate deferred the proposal.

2025-148-Senate-15	**Introduction of Moral Education as a Fractal Course in the B.Tech Curriculum**

The Ministry of Education issued an Office Memorandum to explore introducing Moral Education to Undergraduate students. In view of the above, it is proposed to introduce Moral Education as a fractal course either in the 5th or 6th semester to B.Tech students. A committee may be constituted to develop the syllabus for this course so that it can be offered as a fractal course to B.Tech students, effective from Academic Year 2026-2027.

The Senate approved mapping it to the existing courses.

2025-148-Senate-16	**Modification of 4-Year Integrated B.Sc. B.Ed. Program Curriculum**

The Department of Chemistry has submitted a proposal to modify the curriculum of the 4-year Integrated B.Sc. B.Ed. program, specifically for the Chemistry courses, aligned with the Integrated M.Sc. (Chemistry).

Semester	Existing Chemistry Courses	Chemistry Courses After Modification
1	NIL	NIL
2	Organic Chemistry – 1	Organic Chemistry – 1
3	Inorganic Chemistry – 1	Inorganic Chemistry – 1
4	Organic Chemistry – 2	Physical Chemistry – 1
5	Physical Chemistry Inorganic Chemistry – 2	Physical Chemistry – 2 Inorganic Chemistry – 2
6	Chemistry Elective – 1	Chemistry Elective – 1 (Applied Organic Chemistry)
7	NIL	NIL
8	NIL	NIL

The above changes are proposed to be effective from Academic Year 2024-2025, so that the 4th semester B.Sc. B.Ed. students can register for Physical Chemistry – 1 in the Spring Semester of Academic Year 2025-2026. The proposal has been recommended by the DAC (UG) of the Department of Chemistry, the Chairperson of the Curriculum Development Committee of the Department of Mathematics, the Coordinator of the Integrated Teacher Education Program, the Head of the Department of Mathematics, and the Chairperson of the Curriculum Development and Monitoring Committee.

The Senate approved the above proposal.

2025-148-Senate-17	**Introduction of a Full-Semester Internship in the MBA Program**

The Department of Management Studies has submitted a proposal to introduce a full-semester internship, arranged through the Centre for Career Planning and Development (CCPD), as part of the MBA program in the 4th Semester. However, the following courses have to be completed by the MBA students in the 4th Semester as per the existing curriculum:

- Professional Elective-V
- Professional Elective-VI

- Professional Elective-VII
- Professional Business Elective-II
- Project

The Department of Management Studies proposed allowing MBA students undertaking a full-semester internship to register for online courses in lieu of the above elective courses. The Department of Management Studies has also submitted a list of online courses that the MBA students can register for in their 4th Semester. Such a provision for semester-long internship is allowed in the 8th Semester of the B.Tech program, and similar regulations can be adopted for the MBA program. The proposal has been recommended by the DAC (PG&R) of the Department of Management Studies, the Head of the Career Planning and Development, and the Chairperson of the Senate Postgraduate Committee.

The Senate approved the above proposal.

2025-148-Senate-18	**Registration of Backlog Courses in Examination Mode In Lieu of Study Mode**

As per the existing academic regulations, if a student fails to secure a 'P' or better grade in the regular or immediate makeup examinations, he/she has to register for that course in study mode whenever it is offered. Such students have to first register for the backlog courses, followed by the regular courses, subject to the applicable maximum number of credits. However, students are forced to drop the regular courses in order to attend the backlog courses due to time table constraints, even though a student is eligible to register for the maximum number of credits depending on his/her CGPA. In view of this, the Head of the Department of Computer Science and Engineering has submitted a proposal to allow registering all backlog courses in examination mode instead of study mode. A student registering in examination mode need not have to attend the classwork and will only be writing the end semester examinations directly.

The Senate constituted a committee with the following members to examine the proposal, review academic implications, and submit recommendations on allowing the students to register backlog courses in examination mode in lieu of study mode:

S. No.	Name of the Member	Role
1	Prof. A. Sarath Babu (CH), NIT Warangal	Chairperson
2	Prof. Rashmi Ranjan Rout (CS), NIT Warangal	Member
3	Prof. K. Kiran Kumar (ME), NIT Warangal	Member
4	Prof. Chandra Shekhar Sharma, IIT Hyderabad	Member
5	Prof. Dipti Ranjan Sahoo, IIT Delhi	Member
6	Prof. Rajni Singh, IIT (ISM) Dhanbad	Member

2025-148-Senate-19	**Any Other Item with the Permission of the Chair**

19.1) Change of Supervisor

The RPEC submitted its recommendations for the change of supervisor for the following research scholars:

Name of Research Scholar	Roll No.	Old Supervisor	New Supervisor
Ms. Bukke Lavanya	21CEPJ037	Prof. P. Venkateswara Rao	Prof. Sumanth Chinthala
Ms. S.L. Anusha	23CSR2R12	Prof. Priyanka Chawla	Yet to be identified
Ms. Yenduri Naomi	23EER1R06	Prof. D. Sreenivasarao	Prof. M. Sailaja Kumari
Mr. Kuruma Manirathnam Babu	24CSR2P17	Prof. Tapan Kumar Sahoo	Prof. Chanchal Suman

The Senate approved the recommendations of the REPC for the change of supervisor.

19.2) New B.Tech Program in Aerospace Engineering

The Department of Mechanical Engineering would like to start a B.Tech Program in Aerospace Engineering from the Academic Year 2026-2027. The Head of the Department of Mechanical Engineering provided a brief overview of the proposal to the Senate.

The Senate referred the proposal to the New Academic Program Committee for its recommendations.

19.3) Proposal to Introduce New Electives by the Department of Electrical Engineering and the Department of Chemical Engineering

The Department of Electrical Engineering and the Department of Chemical Engineering would like to introduce new electives effective from the Spring Semester of the Academic Year 2025-2026.

The Senate authorized the Chairman of the Senate to approve the proposed new electives after these electives are recommended by the Curriculum Development and Monitoring Committee.

The meeting ended with thanks to the Chair.
