### **Guidelines for the Written Test**

1. Candidates have to note that the written test will be conducted as a proctored examination. Hence, the candidates are requested to keep two sets of electronic gadgets (like one laptop/desktop and mobile or one laptop and a detachable webcam or two laptops etc).
2. The idea is when the candidate is attempting the examination on the Google form (through laptop), the screen showing the attempt along with the candidate must be visible to the examiner through the Google meet platform (logged in through mobile or detachable webcam) for the entire duration of examination (such examples are as shown in the following figures). Any kind of malpractice observed by opening any other tab or looking at other documents (hard copies/soft copies), screen not visible to the examiner

through Google meet will disqualify the candidate from the examination.

3. The candidates are requested to equip themselves with good source of internet connection and ensure that enough data is available to complete the examination. Any loss of connection during the examinations for any reasons will be at the costs of the candidate.
4. In case, such internet sources are not available due to remote location, it is advisable that the candidate can position themselves to the nearest town/city where such facilities are available.

5. The candidates have to login through the mail id provided in the application.
6. Candidates have to note that the entire proceedings will be recorded through the Google meet platform.
7. The Google form/ Meet link for the written test will be mailed to the candidate in advance.
